

Premier League Division 1 Fixtures 2014/15 Season.

Outside the Superleague, Premier League Netball is the highest level of club netball in the country.

England u17, u19, u21 and Senior England players regularly compete in this league and players from other LANC squads are positively encouraged to come and support their team. All home matches are on Sundays in the Arena or Blue Hall at the Headingley Campus of Leeds Beckett University, (previously Leeds Metropolitan University) starting at 12:30pm. Admission is free (although a small donation to LANC club funds would be appreciated), and there is plenty of free parking. Refreshments are available.
