## **4 Structure of League**

- 4.1** This is an Open competition. The Yorkshire Regional League will be contested between as many teams as shall be determined by the Regional League Management Board (RLMB).
- 4.2** Each team will play each other twice. Matches will be played on the date specified in the fixture schedule

- a) 5 points for a win
  - b) 3 points for a draw
  - c) 2 points for a losing team scoring within 5 goals of the winners score
  - d) 1 point for a losing team scoring more than half the winners score
  - e) 0 points for a loss
- 4.4** A Regional League table will be compiled on the basis of the points awarded to each team.

Where two teams are level on points at the end of the league:

- a) Goal average (goals for divided by goals against) shall be used to determine their relative positions. I.e. the team with the higher average score over the course of the season shall take precedence
- b) In the event that goal average does not differentiate between the teams, then goal difference shall be applied, i.e., precedence shall be given to the team with the greater difference between goals scored and goals conceded
- c) In the event that goal difference does not differentiate between the teams, then the team with the greatest number of goals scored shall take precedence
- d) In the event that neither goal average nor goal difference nor goals scored can differentiate between the teams, the aggregate score in the match or matches played between them over the course of the season shall be calculated and precedence given to the team that gained most points

In the event that none of the above differentiates between the teams, then a playoff shall be used between the teams to determine placings.

*Note: Where one of the teams has its goal average, goal difference or total number of*

*goals scored affected by cancellations, then all goals scored by and against defaulting team(s) in all fixtures shall be omitted from the calculations of both team's level on points. Except where one of the team's level on points is the offending team, at which point they assume a goal average of 0 and will be the lowest ranked team of those level on points.*

*For example, in the event that one team received 5 points for a cancelled fixture, then the goals scored by and against both team's level on points, in all games against the offending team, will not be included when its goal average, goal difference or total number of goals is calculated*

**4.5** The team which finishes top of the Regional League at the end of the season will be the Regional League Champions.

**4.5.1** The club/team that finishes top of the **Regional League Division 1** will go forward to represent the Regional at the England Netball Premier League Playoff's

\*If that club/team is already represented in the England Netball Premier League, the next highest team in the Yorkshire Regional League who is not represented will go forward to the playoff's

Fees can either be paid per fixture (in the week leading upto the fixture taking place) or in advance at the start of the season

Bank Transfer is the only way to pay league fees

- 5.6** All teams will be responsible for their own travel costs and should allow sufficient traveling time to cover any unexpected delays.

Any team, which fails to arrive on time, must take the court within 10 minutes of 5 members of the squad arriving, and in any event within 30 minutes of the agreed start time. So if you allocated match time is 9.30 – 11.00am, the latest the match can commence is 10.00am (which is 30 minutes after the agreed start time)

In the event that the court booking prevents the match being completed

- A report on the amount of time played should be submitted to the Regional League

Results Secretary within a week of the match.

- The Competition referee will decide if the result as far as played should stand, or if the late team should forfeit the match.

- 5.10** In the event that a match is abandoned for any reason e.g. because of serious injury, the result of that match will be determined by the RLMB having regard to the score and the time at which play was suspended.

## **6 Match Regulations**

- 6.1** All games must be played to the current INF Netball Rules (those that are applicable at the start of the competition) except where specific regulations may apply.

Team officials may be fewer than specified and may therefore undertake several duties, however where possible the primary carer should not be an on-court player.

The team officials and upto five (5) players not on court shall constitute the Team Bench

The team bench will be situated in the area at the teams Defending half at the start of the Match to the right of the netball posts, unless otherwise agreed with the Umpires

**7.2** Clubs/Teams are responsible for providing their own umpires for the 2021/22 season – they will umpire your allocated game.

**7.3** Each team will be responsible for paying their own umpires' expenses.

Teams are responsible for paying their umpires, whilst the region is unable to set the fee payable to umpires, we see a reasonable fee of upto £25.00 is payable to cover umpire expenses – this should be given directly to the umpire on the day the fixture takes places.

**7.4** In the event that an Umpire fails to arrive or becomes injured or taken ill during a match the following procedures will be applied:

- RLMB Competition Referee must be informed immediately
- If another Umpire of the appropriate minimum standard (B award) is available, then she/he will Umpire the match
- Failing that, the next best qualified (minimum C award) Umpire should be used
- If the appointed umpire arrives late and the game has already commenced, the umpire that started the game will continue for the entire duration of the match.

**7.5** Umpires are expected to conform to a standard of physical fitness, which allows them to keep pace with the speed and variability of the game.

**7.6** Technical Officials

Both teams must arrange for the match

- i. A Scorer who should have a working knowledge of scoring
- ii. A Timekeeper who should have a working knowledge of the INF rules – failing this, the scorer may take responsibility for the timing of the match

**7.7** One Scorer (team designated the HOME team) must use the Running Score Sheet and a copy should be retained in case this is needed during the season. The other scorer will use a standard score card which they should retain in case this is needed during the season

Match Officials should allow sufficient traveling time to cover any unexpected delays.
